

StealthCleaner

StealthCleaner Hamster wheel Cleaner

Hamster wheel Cleaner

There are some parts of the net that are very difficult to clean, the hamster wheel being such a part where it is complicated to enter. StealthCleaner is modular, and Ocein has developed a hamster wheel cleaner that is specially adapted to clean this part of the net. By attaching it to the StealthCleaner as a separate module it facilitates the washing in a safe, efficient and thorough manner.

MEASURES

Height: 46 cm

Length: 91 cm
